

Curriculum Vitae

Ayman Yosry Abdel-Rahim Hamad ,MD

Professor of Tropical Medicine, Hepatology and
Gastroenterology, Cairo University, Egypt.

Chairman of the hepatology and Gastroenterology
Unit, Dar Al Fouad Hospital, Cairo, Egypt.

Secretary General of the African Association for
the Study of Liver Diseases (AFASLD).

E-Mail : ayosry@tedata.net.eg

ayosry2@yahoo.com

Address:

1 Mohamed Mahmoud Street

Abdin 11111

Cairo, Egypt.

Telefax : +202 3366605

Cellular: +2010 1437945

Personal Data :

Date of birth : December 10 / 1957

Place of birth : Cairo, Egypt

Marital Status : Married

Children : Three

Citizenship : Egyptian

Education :

1971 – 1974 High School, Cairo Egypt

Science Track; Baccalaureate.

1974 – 1980 Faculty of Medicine, Cairo University,
Egypt.

Bachelor of Medicine and Surgery
(M.B.B.Ch.) .

Post-graduate Training :

1984 – 1986 Diagnostic and Interventional
ultrasonography, Ultrasonography Unit,
Cairo University Hospital

1982 - 1984 Diagnostic and Therapeutic
Gastrointestinal Endoscopy :
Gastrointestinal Endoscopy and Liver
Unit, Cairo University Hospital

1982 – 1985 Residency, Department of Tropical
Medicine, Cairo University Hospital

1981 – 1982 Rotating Intern, Cairo University

Hospitals

Faculty Appointments :

- | | |
|----------------|---|
| 2000 – Present | Professor of Tropical Medicine, Faculty of Medicine, Cairo University. |
| 1995 – 2000 | Assistant Professor of Tropical Medicine, Faculty of Medicine, Cairo University |
| 1990 – 1995 | Lecturer of Tropical Medicine, Faculty of Medicine Cairo University. |
| 1985 – 1990 | Assistant lecturer, Department of Tropical Medicine |

Major Professional Societies :

- Secretary General of the African Association for the Study of Liver Diseases (AFASLD)
- Vice President of the Egyptian Association for the study of Liver and Gastrointestinal Disease
- Member of the American College of Gastroenterology
- Member of the Educational Committee of the European Society of Gastrointestinal Endoscopy
- Member of The Egyptian Society of Endoscopy and

Hepatogastroenterology

- Member of the Egyptian Society of Hepatology
- Member of the Egyptian Society of Tropical Medicine, Infectious and Parasitic diseases.

Certifications:

1989 – Doctorate Degree in Tropical Medicine, Faculty of Medicine, Cairo University

1984 – Masters degree in Tropical Medicine, Faculty of Medicine, Cairo University

1981 – ECFMG, U.S.A

1980 – Bachelor of Medicine and Surgery (MB Bch), Faculty of Medicine Cairo University.

Teaching experience :

1985 – Present

Serving in the Faculty of Medicine, Cairo University as :-

- A clinical instructor and lecturer for 6th year medical Students.
- Tropical Medicine, Gastroenterology and Hepatology Out-Patient and in-Patient Teaching rounds for Post-

graduate Students.

- Member of the teaching Faculty of the Gastrointestinal Endoscopy and Liver Unit, Cairo University.
- Member of the teaching Faculty of the Ultrasonography Unit, Cairo University .

Gastrointestinal Experience :

Besides providing clinical consultative service of various gastrointestinal, biliary, pancreatic, hepatic and nutritional disorders, my experience is in all gastrointestinal endoscopic, and ultrasonographic procedures-both diagnostic and therapeutic- including but not limited to:

Diagnostic and Therapeutic OGD:

Non-vaiceal hemostasis: heater probe, bicap,injection/ sclerotherapy.

Variceal hemostasis: Sclerotherapy, banding, cyanoacrylate injection.

Oesophageal Dilation:

Eder-Puestow, Savary, balloon dilators.

Oesophageal stent Placement:

Plastic stent, metal stent

Pneumatic dilation: achalasia, pyloric /duodenal.

Diagnostic and Therapeutic Colonoscopy :

Hemostasis, snare polypectomy, colonic decompression with tube insertion.

Diagnostic and Therapeutic ERCP :

Papillotomy, papillectomy, lithotripsy/stone extraction, dilation of biliary strictures using balloon or Sohendra dilators, stent/nasobiliary tube insertion.

Diagnostic and Therapeutic Enteroscopy :

Hemostasis, polypectomy

Argon Plasma coagulation:

Hemostasis , tumor ablation

Endoscopic placement and removal of feeding tubes(PEG/PEJ)

Liver Biopsy:

Percutaneous, ultrasound guided

Ultrasound guided Radiofrequency ablation and alcohol injection of hepatic tumors.

Research Projects :

Participated in Schistosomiasis field research projects:

University Linkage project 1986-1989

Schistosomiasis Research Project (SRP)

Project 12-2-2 1990-1992

Project 13-3-2 1991-1994

Project 23-4-2 1995-1998

Supervision of Master Degree and Doctorate Degree Thesis:

Master Degree :

- 1) Recent advances in the treatment of HCV infection.
- 2) A prospective study on the value of serum amylase and lipase as a predictor of post-ERCP pancreatitis.(Amr Abdel-Bary)
- 3) Herbal therapy in the treatment of HCV infection. (Shabaan Abdel-Hamid Afifi)
- 4) Pathophysiology of lung interstitium in HCV infection.(Ali Hussein Ali Saeid)
- 5) The prevalence of chronic liver disease among army

recruits.(Sherin Farouk Amin Amer)

- 6) Value of Duplex Doppler ultrasonography in different liver diseases.(Abdel Basset Mahmoud Salman)
- 7) Value of enteroscopy in different small intestinal diseases.(Enas Fouad Soliman)
- 8) Hydrocolonic ultrasonography.(Adel Ahmed Ali Ahmed)
- 9) Evaluation of triple tissue sampling technique in the diagnosis of biliary strictures during ERCP.(Ehab Ahmed)
- 10) Polythene biliary stent blockage.(Ahmed Abdalla)

Doctorate Degree:

- 1) Oesophageal motility and PH metry after injection sclerotherapy for oesophageal varices.(SalwaMokhtar)
- 2) Role of endosonography in evaluation of patients after injection sclerotherapy and band ligation.(Mohamed Mostafa Abdel-Ghaffar)
- 3) Propranolol versus Band ligation in the primary prevention of variceal bleeding .(Eman Hamza)
- 4) Band ligation alone versus combined band ligation and sclerotherapy in the primary prevention of variceal bleeding.(Sherif Hamdy)
- 5) Impact of HCV infection and graft size on the outcome of living donor liver transplantation in Egyptian patients.(Amr Abdel-Bary)

- 6) COX-2 receptors in primary hepatocellular carcinoma.(Yehia El-Sherif)
- 7) Telomerase activity in patients with chronic hepatitis,cirrhosis and hepatocellular carcinoma.
- 8) The value of H. pylori stool antigen in the diagnosis and follow-up of eradication therapy for H.pylori in gastroduodenal disorders.(Yehia Sameh)

Participation/ Presentations in Meetings :

International Meetings :

- 1) 13th European workshop on therapeutic digestive Endoscopy. Hospital Erasme- Brussels, Belgium 1995.
- 2) 4th United European Gastroenterology Week, Berlin 1995.----Two poster presentations:

Tumor Necrosis Alpha in Stools as a Marker in Colonic Diseases.

Helicobacter Pylori and the Gastropathy of Portal Hypertension.

- 3) Annual postgraduate course of the American College of Gastroenterology. Chicago- USA 1997.
- 4) Annual Scientific Meeting Of The American College of Gastroenterology. Chicago-USA 1997.
- 5) Practice patterns in the management of H. pylori related infections conference. Chicago-USA 1997.
- 6) Anti-infectives Regional Meeting. Beirut. Lebanon 1997.
- 7) Hepatitis C. Leading edge scientific and clinical advances. Monte-Carlo , Monaco 1998
- 8) Digestive Disease Week. New Orleans-USA 1998.
- 9) 11th world Congress of Gastroenterology. Vienna, Austria 1998.
- 10) 2nd International Meeting on Reproductive Medicine In the 21st Century. Jeddah, KSA. 20-22 Oct 1998.

Oral presentation :Hepatitis C and Reproduction.

- 11) 4th Emirates Gastroenterology Conference.

Dubai, 13-16 Feb 1999.

- 12) Optimizing the treatment of hepatitis C.

Madrid, Spain, June30-July1, 2000.

13) 5th Meeting of the African Association for the study of Liver Disease. Sun City , South Africa, 21-24 sept 2000.

Two oral presentations :

Band ligation alone versus band ligation and propranolol in the management of bleeding oesophageal varices.

Ribavirin plus interferon daily or thrice weekly in chronic hepatitis C genotype 4.

14) Annual Postgraduate Course of the American College of Gastroenterology. New York. USA , 14-15 oct 2000.

15) 65th Annual Scientific Meeting of the American College of Gastroenterology. New York, USA. Oct 16-18 2000.

Two Poster presentations:

Band ligation alone versus band ligation and propranolol in the management of bleeding oesophageal varices.

Ribavirin plus interferon daily or thrice weekly in chronic hepatitis C genotype 4.

16) 12th World Congress of Gastroenterology.

Bangkok, Thailand, Feb24-Mar 1, 2002.

17) 11th Annual congress of the German Society of Gastroenterology, Northern Westphalia

Cologne, Germany 12-13 April 2002

Delivered a state of the art lecture on infectious and

parasitic liver diseases in the Middle-East.

18) International Symposium on Living Donor Organ Transplantation.

Essen, Germany 6-7 June 2002.

19) 20th European Workshop on Gastroenterology and Endotherapy.

Brussels, Belgium 17-19 June 2002.

20) 1st European Symposium on Ethics in Gastroenterology & Digestive Endoscopy.

Kos, Greece 27-29 June 2002.

21) 10th United European Gastroenterology Week.

Geneva, Switzerland 19-23 October 2002.

22) 6th Congress of the African Association for The Study of Liver Disease.

Cairo, Egypt 3-6 March 2003

Oral presentation: Living related liver transplantation in Egypt. Donor selection and risk.

23) 38th Annual Meeting of the European Association for the Study of the Liver.

Geneva, Switzerland, July 3-6, 2003.

24) Emirates Pan-Arab Gastroenterology Week .

Sharjah, Dubai, Fujairah. United Arab Emirates, Jan 13-17, 2004.

Chairperson: Session on lower GI malignancy.

Oral Presentation: Colorectal cancer screening program in Egypt

25) Hepatitis Clinical Update Meeting.

Monte Carlo, Monaco. Jan 29-31,2004.

26) Biennial Scientific Meeting of the International Association for the Study of the Liver.Salvador, Bahia, Brazil, March 18-20,2004 .A randomized controlled trial comparing band ligation and propranolol in the primary prophylaxis of variceal haemorrhage (Poster presentation).

27)12th United European Gastroenterology Week. Prague, Czech Republic 25-29 september 2004 .HCV recurrence post-living donor liver transplantation: Favorable outcome using tacrolimus and short-course steroids for immunosuppression (Poster presentation).

28)ILTS 11th Annual International congress,. Los Angeles, California, USA, 20-23 July 2005 . Hepatitis C virus genotype 4 recurrence in Egyptian living donor liver transplantation recipients (Oral presentation).

29)Liver division Grand Rounds lecture at the Dumont-UCLA Transplant Center : “Living donor liver transplantation in Egypt”. 28 July 2005. UCLA,

California, USA.

- 30) Managing GI motility and sensory disorders. “Evolving concepts and therapeutic targets”. 7-8 April 2006, Dubai, UAE.
- 31) ILTS 12th Annual International congress, Milan, ITALY, 3-6 May 2006. Pretransplantation MELD score does not predict recipient survival in adult living donor liver transplantation (Poster presentation).
- 32) 6th congress of the Pan Arab Association of Gastroenterology, Beirut, Lebanon 7-10 June 2006. Living Donor Liver Transplantation in Egypt: an overview of 100 cases (oral presentation).
- 33) European Interactive Summit on hepatitis C. “Beyond the Myths of the C”. Athens, Greece, June 23-25, 2006.
- 34) 24th Biennial Meeting of the International Association for the study of the Liver (IASL). Cairo, Egypt, September 7-11, 2006. Egyptian experience in living donor liver transplantation (oral presentation). Posttransplantation liver biopsy; clinical view (oral presentation).
- 35) Controversies in Transplantation. Breckenridge, Colorado, USA, March 9-11, 2007. Transplant in the Middle East (oral presentation).
- 36) The 2nd PanArab Liver Transplantation Congress. Riyadh, Saudi Arabia March 14-15, 2007. Hepatitis C virus Genotype 4 recurrence in Egyptian Living Donor Liver

Transplant recipients (state-of-the art lecture).

National Meetings:

1) I participate in almost all the gastroenterology and hepatology meetings on the national level. The following are some of the meetings I participated in during the last five years:

2) 5th International Annual Congress of the Egyptian Society of gastrointestinal Endoscopy. Cairo- Luxor, April 1-7,2000.

Member of the organizing committee

Moderator of a panel discussion on upper GI bleeding.

3) 18th Annual Meeting of the Egyptian Society of Hepatology. Cairo, May 23-25, 2000.

Moderator of a panel discussion on GERD.

Member of a panel discussion on Portal Hypertension.

4) 5th International congress of the Egyptian Society of Hepatology, Gastroenterology and infectious diseases. Cairo-Alexandria-Hurghada, Nov 5-11, 2000.

Delivered two lectures:

Preventing complications of ERCP

H. pylori : Present and Future.

5) Annual Scientific conference of The National Liver Institute. Shebin El Kom, 22-23 Nov 2000.

Delivered a lecture on complications of ERCP.

6) Annual Congress of the Egyptian Society of Endemic, infectious and parasitic diseases. Cairo, Feb 17-18 2000.

Member of a panel discussion on upper GI bleeding.

7) International Congress of Ultrasound and Radiology. Cairo, Feb 15-17 ,2000.

Moderator of a session of ultrasound in GI disease.

8) 5th Delta Annual Symposium on Hepatic and Gastrointestinal Diseases. Tanta, Egypt, July 18-20 ,2001.

Member of a panel discussion on management of chronic hepatitis C.

9) 2nd International Congress of Hepatology and Gastroenterology.

African and Middle East Association of Gastroenterology.

Cairo, Egypt. April 2-5, 2001.

Member of the organizing committee.

Lecture: Management of Portal Hypertension. Egyptian

Experience.

10) 2nd International Workshop on Therapeutic Endoscopy.

In collaboration with the American Society of Gastrointestinal Endoscopy and the European Society of Gastrointestinal Endoscopy.

Cairo, Egypt. Sept 9-11 ,2000.

Faculty member as a national expert.

11) 6th International Congress of The Egyptian Society of Gastrointestinal Endoscopy.

Cairo, Egypt. Jan 15-18, 2001.

Member of the organizing committee.

Two lectures: Biliary stenting.

Papillectomy

12) Liver Diseases and Schistosomiasis in the New Millenium.

Conference organized by the Egyptian society of Tropical Medicine, infectious and parasitic diseases.

Cairo, Egypt. Feb 17-18, 2000.

Member of a panel discussion on Portal Hypertension.

13) 6th International congress of the Egyptian Society of Tropical Medicine, Infectious and Parasitic diseases.

Cairo, Egypt. June 27-29. 2001.

Chairperson

Lecture : Argon Plasma coagulation in GI endoscopy.

14) 12th International Scientific Congress of The Egyptian Medical Syndicate.

Cairo, Egypt. Jan 8-11, 2001.

Lecture: Prevention of the first variceal Hemorrhage.

15) 3rd International Workshop on Therapeutic Endoscopy.

In collaboration with the American Society of Gastrointestinal Endoscopy and the European Society of Gastrointestinal Endoscopy.

Cairo, Egypt. Sept 8-10 ,2000.

Faculty member as a national expert.

16) Hepatology and Gastroenterology update.

Meeting organized by the Egyptian Association for the Study of Liver and Gastrointestinal Diseases.

El-Arish, Egypt. August 30 2001.

Lecture: Portal hypertensive gastropathy.

17)Emergencies in hepatogastroenterology

Meeting organized by the Egyptian Association for Study of Liver and Gastrointestinal Diseases

Port-Said , November 15-16, 2001

Delivered a lecture on endoscopic management of non-variceal bleeding.

18)Joint congress between the Egyptian Society for the Study of Gastroenterology and Hepatology with the GI Endoscopy and Liver Unit, Cairo University.

Cairo, Egypt, 15-17 Jan 2002.

National expert in the GI endoscopy workshop.

Lecture: Recurrent HCV infection post transplant.

Moderator of an interactive session on the treatment of HCV infection.

19)Annual Congress of Surgery, Cairo University

Cairo, 9-10 march 2002

Delivered a lecture on the Egyptian experience in Living Donor Liver Transplantation.

20)First Egyptian Digestive Disease Week

Cairo, March 29- April 4.

Director of the hepatic intervention workshop held on 29/4/2002.

Delivered a lecture : Endoscopic Argon Plasma Coagulation in Barrett's oesophagus.

21) Joint meeting between The European Society Of Gastrointestinal Endoscopy and The Egyptian Society Of Endoscopy and Hepatogastroenterology.

Luxor , 13-15 February 2003

Oral presentation: HCV infection. The magnitude of the problem in Egypt.

22) Seminar on hepatobiliary infections and malignancy.

Tanta, 10 March 2003

Lecture: Role of ERCP in hepatobiliary infections and malignancy.

23) 6th International congress of Gastrointestinal Surgery and Hepatology.

3rd Meeting of Italian-Egyptian Association of Digestive Diseases.

6th International Workshop of Therapeutic Endoscopy and Laparoscopy.

Organized by the Egyptian Hepato-pancreato-biliary Society.

Luxor, 13-14 March 2003

Lecture: HCV and liver transplantation.

Participated in GI endoscopy workshop as a national expert.

24)1st Panarab congress of Radiological Imaging and Ultrasonography.

Cairo, 19-20 March 2003

Chairperson:Ultrasound and liver disease.

25)Seminar : HCV update

Assiut, 1st April 2003

Lecture: Recurrent HCV post-liver transplantation

26) 7th Annual Delta Congress.

Faculty member in Endoscopy workshop.

Member of a panel discussion on antiviral treatment for HCV.

29 July – 1 August 2003, Tanta.

27) Seminar : Recent advances in Gastroenterology.

Organized by the Egyptian Society of Tropical Medicine infectious & parasitic diseases.

Presentation: Recent advances in acid related disorders.

Ras Elbarr 2nd October 2003

28) The 8th International Congress Of The Egyptian Society of Hepatology, Gastroenterology & infectious Diseases.

Cairo, 12-16 October 2003

National expert in the endoscopy workshop(live demonstration of radiofrequency in GERD)

Round-table discussion on recent advances in portal hypertension(expert).

Symposium on irritable bowel syndrome(expert).

29) Tanta University Medical Conference.

The liver and the environment.

Oral presentation: Viral hepatitis and the environment.

8-9 January 2004

Tanta University.

30)2nd Annual Congress of Internal Medicine Assiut University.

Oral presentation: Living related liver transplantation : Egyptian experience.

17-18 February 2004, Assiut University.

31) 7th Annual congress of Gastroenterology and Hepatology of Fayoum.

Discussion of case presentations.

19-20 February ,2004. Fayoum.

31) GI Endoscopy Course

21-23 February 2004

Kasr El-Ainy Hospital. Cairo university.

32) First training course of the Cairo Training Center for Africa and the Middle East in cooperation with OMGE.

Director of the Endoscopy Course.

1-9 March 2004.

Marriot Hotel, Cairo.

Theodor Bilharz Research Institute, Cairo.

33) The Second Egyptian Digestive Disease Week

Secretary General of the congress

Chairman of the GI Endoscopy Workshop

State of th art lecture : Liver Transplantation in Egypt ; is it on the right track?

Cairo 29-31 March 2004

Sharm 1-3 April 2004

34) 9th International Annual Congress of The Egyptian Society of Tropical Medicine, Infectious, and Parasitic Diseases

Oral Presentation: Donor Selection and Risks in LDLT

June 16-18, 2004

Alexandria, Egypt

35) Educational course on the pathology of the GI tract.

Two Oral presentations:

Endoscopic aspects of oesophagitis and Barret's.

Endoscopic aspects of gastritis.

Kasr El-Ainy Hospital, Cairo University. 22-24 november
2004

36) 6th Annual Scientific Meeting of Internal Medicine
Department and Gastroenterology Unit, Air Force Hospital.

Oral presentation: Living related liver transplantation.
Egyptian experience.

23 september 2004 , Airforce Hospital , Cairo.

37) 6th International Workshop on Therapeutic Endoscopy.

Faculty member.

11-13 December 2004

Theodor Bilharz Research Institute, Cairo , Egypt.

38) Hepatocellular Carcinoma Workshop.

Faculty member.

Oral presentation: Liver transplantation for Hepatocellular
Carcinoma.

GI Endoscopy and Liver Unit , Cairo University

21st December 2004

39) 8th International Congress of Gastrointestinal Surgery and Hepatology

Oral presentation: HBV and Liver Transplantation

January 27-30, 2005

Aswan, Egypt.

40) 8th Annual congress of Gastroenterology and Hepatology In Fayoum.

Oral presentation: Management of upper GI bleeding.

17-18 February 2005, Fayoum.

41) 2nd Kasr El-Ainy Endoscopy Course.

Faculty member.

19-21 February 2005.

42) 23rd Annual Meeting of the Egyptian Society of Surgeons.

Oral presentation: Endoscopic management of GERD

23-25 February 2005. Le Meridien Pyramids Hotel. Cairo.

43) 4th Annual Congress of the Egyptian Association for the study of Gastrointestinal and Liver Diseases.

Oral presentation: Difficulties in liver transplantation.

1-3 March 2005. Cairo Marriot Hotel.

44) Liver Diseases at the crossroads of civilization: East meets West.

Oral presentation: HCV reactivation post-liver transplantation. How to prevent and treat.

17-18 March 2005. Bibliotheca Alexandrina.

45) The Third Egyptian Digestive Disease Week.

The Egyptian Society of Endoscopy and Hepato-Gastroenterology .

Moderator of a postgraduate course on hepatocellular carcinoma.

Two oral presentations:

Liver transplantation for hepatocellular carcinoma.

HCV and liver transplantation.

Cairo 27-31 March 2005.

46) 2nd Egyptian International Conference on Living Donor Liver Transplantation

Member of the organizing committee

Moderated a session on "Preoperative evaluation of the donor and recipient"

Cairo, 27-29 April 2005.

47) 7th Congress of the Egyptian society of

Hepatology, Gastroenterology and infectious diseases. Oral presentation: New trends in the management of HBV infection. Alexandria, 7-9 September 2005.

48) 2nd International Conference of Scientific Research and its Applications. Oral presentation: The Egyptian Experience in Liver Transplantation. Cairo, 17-19 December 2005.

49) The Fourth Egyptian Digestive disease Week, Cairo, Egypt, March 25-30, 2006. HCV with persistently normal ALT (oral presentation). Immunosuppression in liver transplantation (oral presentation). Argon Plasma Coagulation for GI bleeding (video presentation).

50) 8th International Conference of the Egyptian Society of hepatology, Gastroenterology, and Infectious diseases (ESHGID), Alexandria, Egypt, September 13-15, 2006. Guiding the patient to the proper treatment of HCV (oral presentation).

51) 5th Winter meeting of the Egyptian Society for the Study of Endoscopy and Hepatogastroenterology. Cairo, Egypt, January 11-12, 2007.

52) The 9th conference of Gastroenterology and Hepatology Unit, Faculty of Medicine, Suez Canal University. Ismailia, 17-19 January 2007. Recurrent HCV post-transplantation (oral presentation).

53) The Fifth Egyptian Digestive disease Week, Cairo, Egypt, March 24-30, 2007. Four oral presentations :
Recent international guidelines for treatment of chronic hepatitis B.

Management of HCV Nonresponders.

Is Living Donor Liver Transplantation the solution for end-stage liver disease in Egypt.

Outcome of Living Donor Liver Transplantation in Egypt.
